2. Golfers are asked to have their full foursome together prior to checking in with the starter.
3. The tournament will be a best ball team shamble format. In a best ball team shamble format, all four players tee off. The team then chooses the best drive of the four. All four players play their own ball from the selected drive until they have holed out. Scoring will be done with the best gross score of the foursome selected for each hole. Prizes will be awarded to the top four teams.
4. Golf scores must be submitted immediately following play in order to be eligible for prizes. Prizes will be announced during the dinner. **NOTE: Only one skill prize will be awarded per golfer.**
